

Angličtina 6

Předmět je zaměřen na systematický a všestranný rozvoj jazykové kompetence a na praktickou aplikaci komunikativních dovedností pro středně pokročilé mluvčí angličtiny. Studenti si ve cvičeních upevní a prohloubí znalost anglické gramatiky, rozšíří slovní zásobu a procvičí výslovnost. Důraz bude kladen na mluvení a poslech. Hodiny budou založeny na lekcích 7-9 učebnice English File Intermediate 3rd Edition.

The course is focused on the systematic and comprehensive development of language competence and on the practical application of communicative skills for intermediate English speakers. Students will consolidate and deepen their knowledge of English grammar, expand their vocabulary and practice pronunciation. The emphasis will be on speaking and listening. Classes will be based on lessons 7-9 of the English File Intermediate 3rd Edition textbook.
