

## **Stylization**

### **Analysis of stylization practices**

- Instructions: Read chapter 11 by Bell on stylization (Bell CH11 – Styling language and identities)
- Choose spoken language data from the social media (YouTube, stand-up,...). Provide a short transcript of a segment that is relevant for your analysis. Identify linguistic features of stylization, refer to concepts/ideas from Bell's chapter, discuss and explain what and why is going on
- Length: 2-3 pages, as you see fit until you exhaust the topic
